

# Special Ironing table for curtains with heating & suction

DEKO PLUS 3070

photo: mod. DEKO PLUS 3070 with K/6/2 condenser - STE 1700 electronic iron  
-S/TRON box- VAPORMAT/2 steam generator

Specially designed for curtains manufacturers and laundries.

The large flat top surface which is heated and with strong suction device makes the ironing of the curtains easy and fast. It is standard offered with Vario iron balance lifter System and lighting.

With collectors in the front and back side for the curtain deposit and easier rolling.

The table surface and the foot pedal are divided for easier operation.
