

# Finishing table with heating, suction and blowing

PFS/S+B

**photo: mod. PFS / S+B with supplements**

Special table which, fitted by the proper shape form, it can achieve the finish pressing of men's and ladies' jackets, and blouses.

By the blowing device all pressure marks and shines even of the most difficult parts (pockets, seams, lapels) are disappeared. Suction and blowing power are adjustable independently. Double foot pedal for autonomous function of suction/blowing.
