

All the Special Ironing tables can be mounted either on a FLEX base or on a PERFECT base. They are both sturdy and ergonomically constructed for the best possible finishing results while simultaneously provide to the operator relaxing working conditions and, therefore increase the productivity.

## FLEX Base

**Dimension of Base:** 40 x 40 cm x adjustable height.

**Adjustable Height:** 75-91cm with screws so that the operator can adjust it at 4 different levels.

**Chimney:** 125 cm with a lever for adjusting the suction. The high chimney prevents the air and noise from distracting the operator.

**Pedal:** double kicker plate placed at an ergonomic position on the base of the machine.

## PERFECT Base

**Dimension of Base:** 40 x 49 cm x adjustable height.

**Adjustable Height:** 82-97cm with stabilizer that can be adjusted at recommended level with height indicator so that each user can set their preferred height within a few seconds.

**Chimney:** 125 cm with a lever for adjusting the suction and a 0-100% indicator. The high chimney prevents the air and noise from distracting the operator.

**Pedal:** adjustable double kicker plate to suit the operator's preference.

**Electrical Panel Board:** placed on the chimney for easier access and service.

# PFP

**Special seam opening ironing table for 3 trouser seams-heating and adjustable suction.**

For opening trouser's seams: inner seam, outer seam, and crotch seam.

**Comes with:** FP-N buck with trouser stretching chains, chimney, silicone iron rest pad, ATB Swivel bow, kicker plate and wheels for easy drive.

**Extra accessories:** steam iron, Vario system and lighting system.

For optimal ironing results, we suggest using steam iron: STC1200

**Available with PERFECT base & FLEX base**
